

## LIBERACIÓN NACIONAL PUERTORRIQUEÑA

Commando *Tomás López de Victoria* of the FALN, assumes responsibility for the dynamite attack on members of the New York City police force, on Wed., December 11, 1974, in *El Barrio*.

This is the response of the Puerto Rican people to the brutal murder of Martín "Tito" Pérez by the sadistic animals of the 25th precinct on Sunday, December 1, 1974.

The murder of Tito is just one of the many attacks directed against the Puerto Rican and Black communities by the racist New York City police department.

In retaliating against Tito's death we also are avenging the deaths of Clifford Glover, Claude Reese and the countless other innocent Puerto Ricans and Blacks who have been brutally assaulted and murdered by racist cops.

By this action the FALN wishes to make it known that racist attacks against Puerto Rican, Black and other Third World communities, as well as attacks against Puerto Rican liberation fighters and militants by the vicious animals who occupy our communities, will be met by the armed resistance of the people.

Even though we support the demonstration which took place in City Hall on Monday, December 9, we fully realize that the people will not gain justice by demonstrating and shouting. The only justice that can be handed out to the murderers of our people is revolutionary justice through the implementation of revolutionary violence.

Yanki capitalism has developed through the utilization of racist policies. The genocide of the *indios*, enslavement of millions of Africans, inhumane bombing of Indochinese people and the massive sterilization of thousands of Puerto Rican women are just a few examples of the racist policies.

Racism expressed in our communities through miseducation, terrible health treatment, low salaries, relegation of our people to the most menial jobs and exploitation by white businessmen and landlords, is a symptom of capitalism and can only be eliminated by the destruction of the Yanki system of government.

For each repressive act taken upon our people and fighters for Puerto Rican independence the FALN will respond with revolutionary violence.
